Matthias Marklin

Photographer, Remote Pilot

Biography —————

Studio Marklin was established in 2020 by photographer and adventurer Matthias Marklin

Studio Marklin is a multidisciplinary creative house that specializes in finding and capturing the story and unique angles that set brands and ideas apart.

Through the use of various photographic and visual techniques a narrative is formed which establishes a connection with, and can move, an audience.

The Power of Story

Visually
Presented

From breathtaking
scenes that inspire...

... to small moments which reveal the delight and wonder of life around us ...

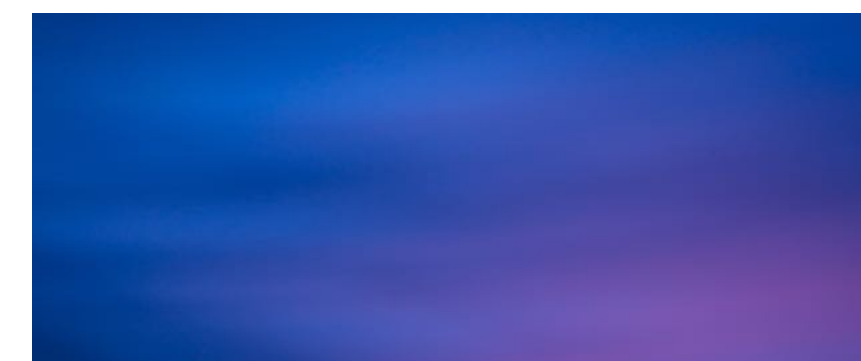

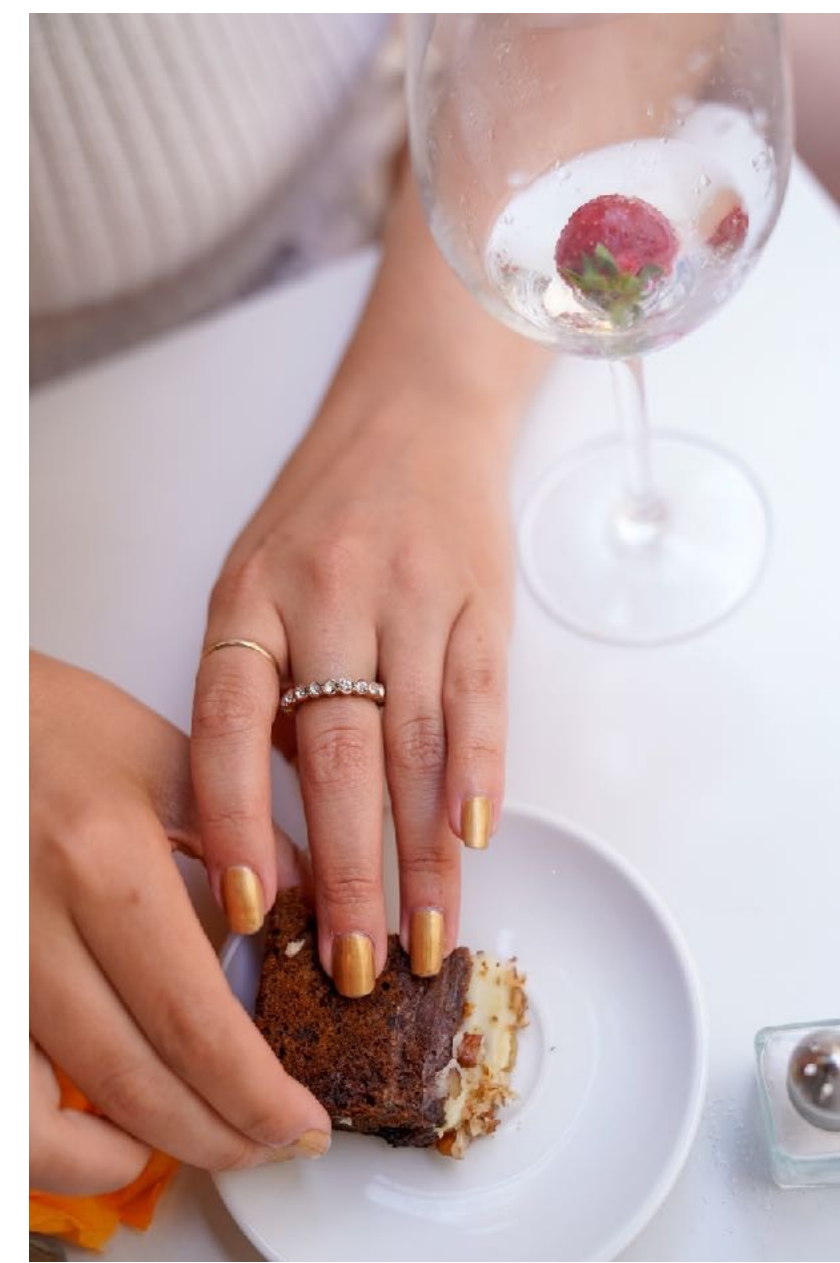

... and the people who
make the experience
unforgettable ...

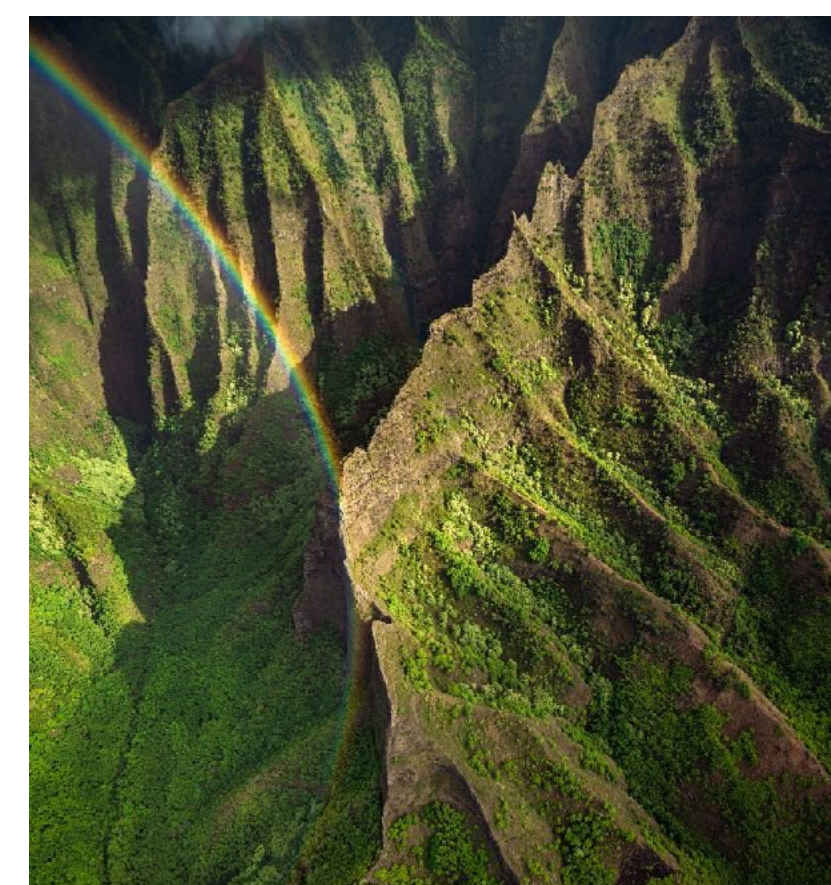

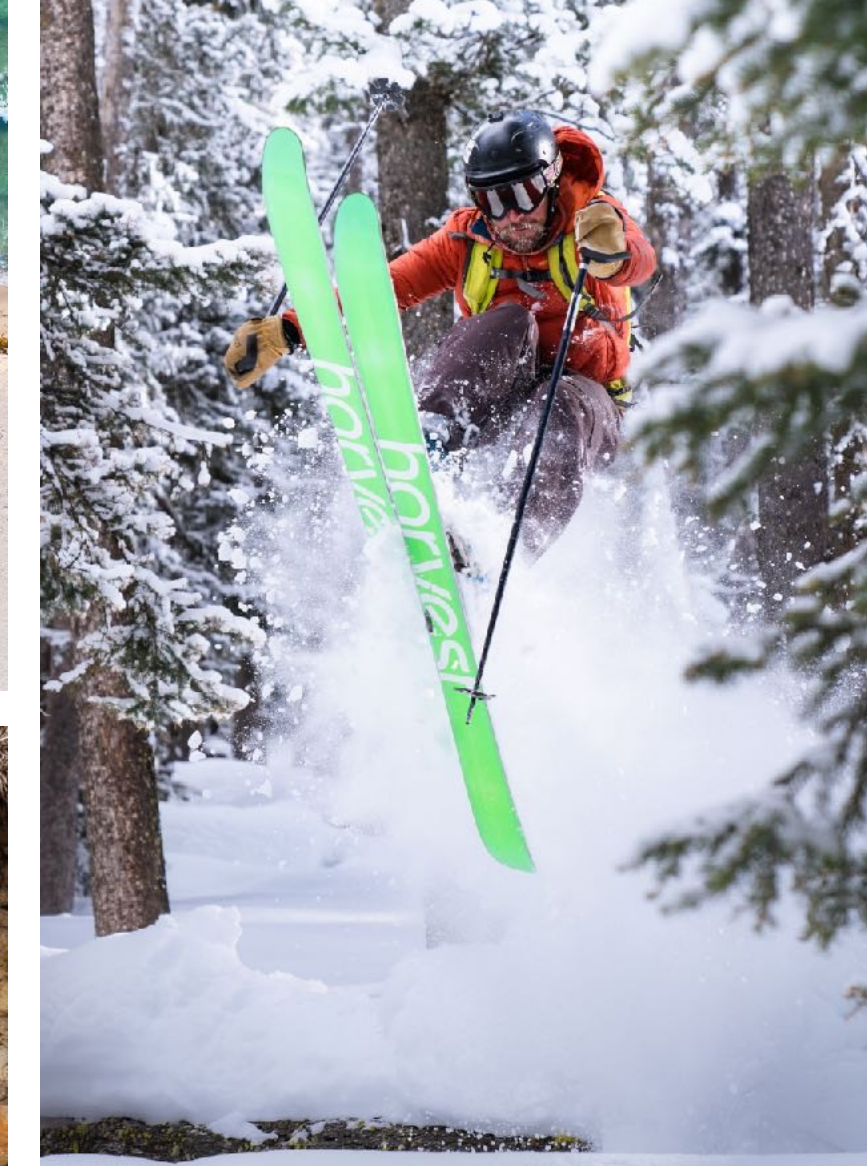

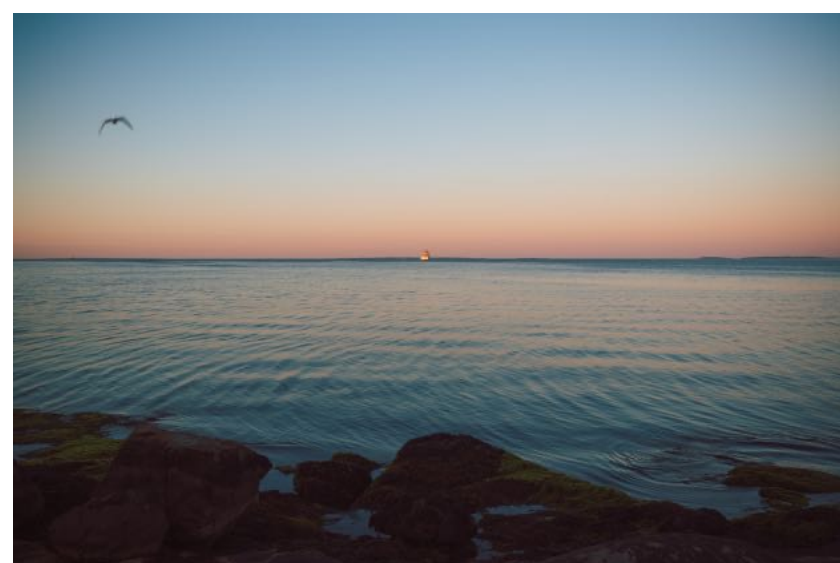

... stories
move us
and connect
us with
something
greater.

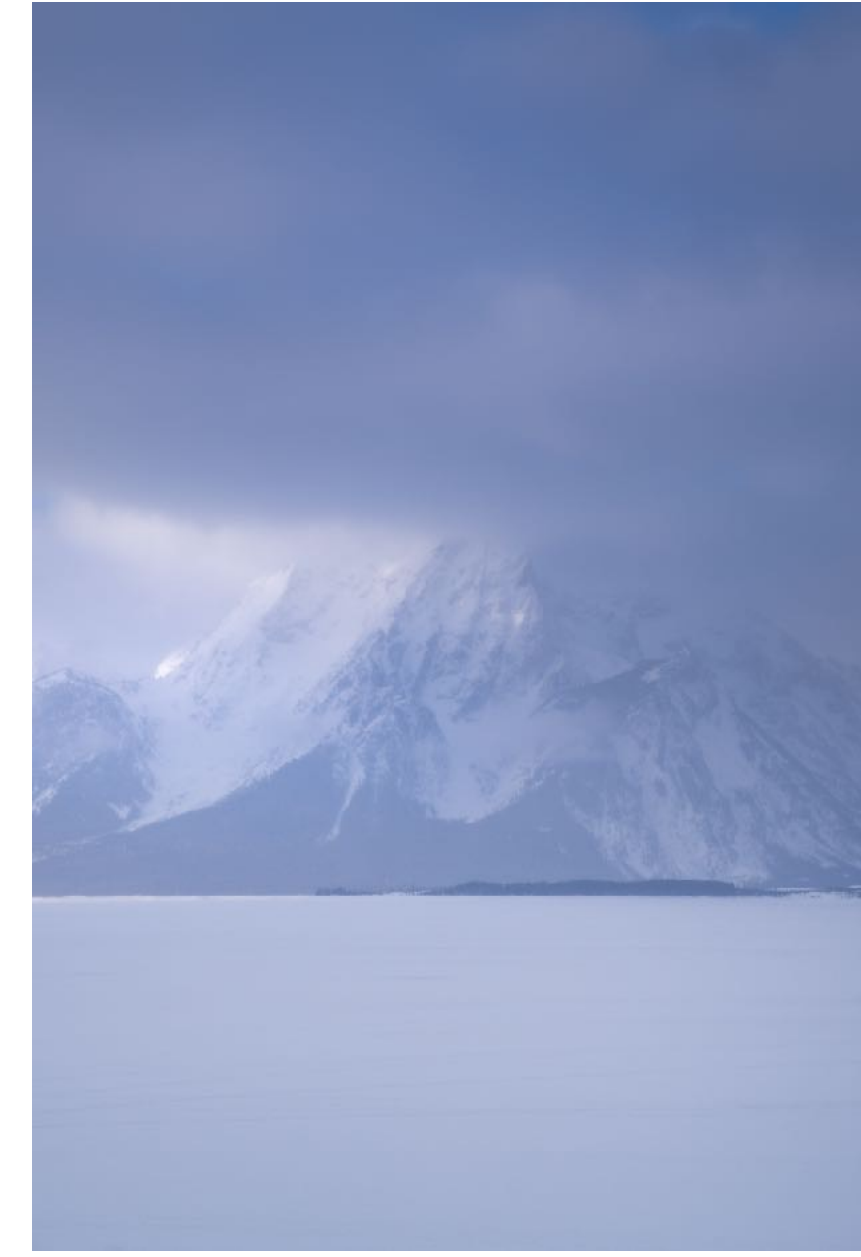

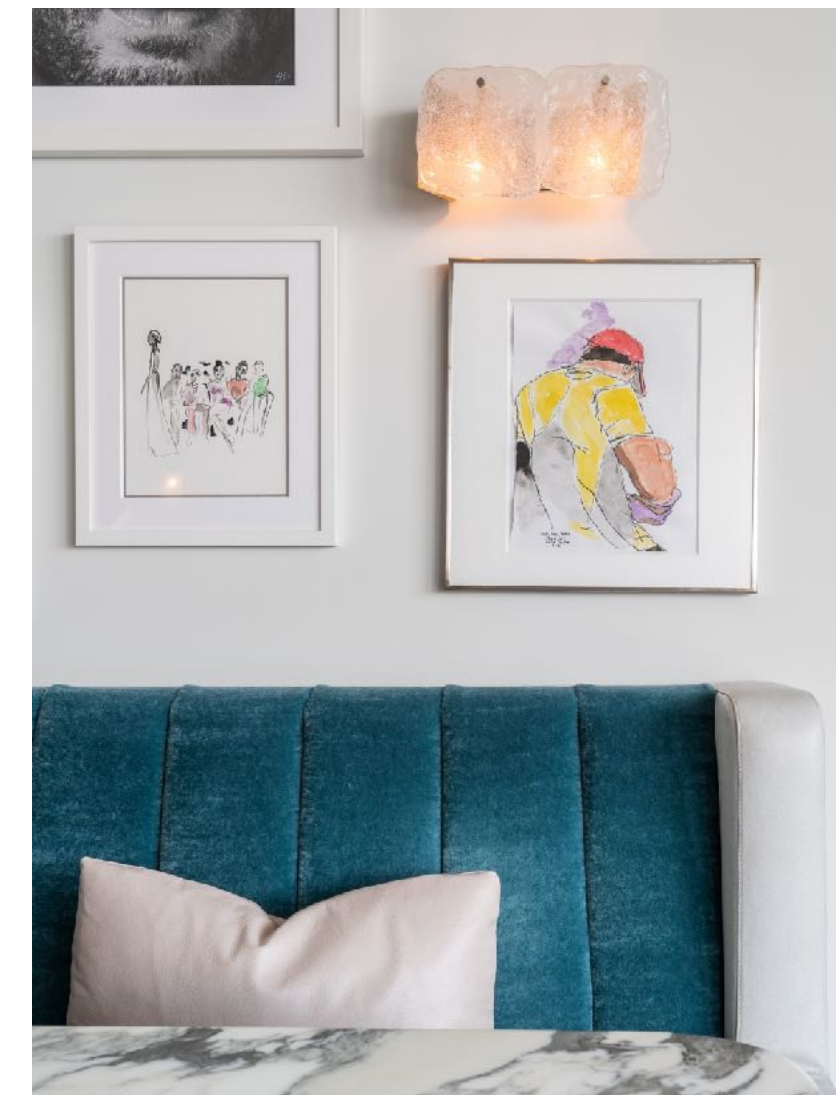

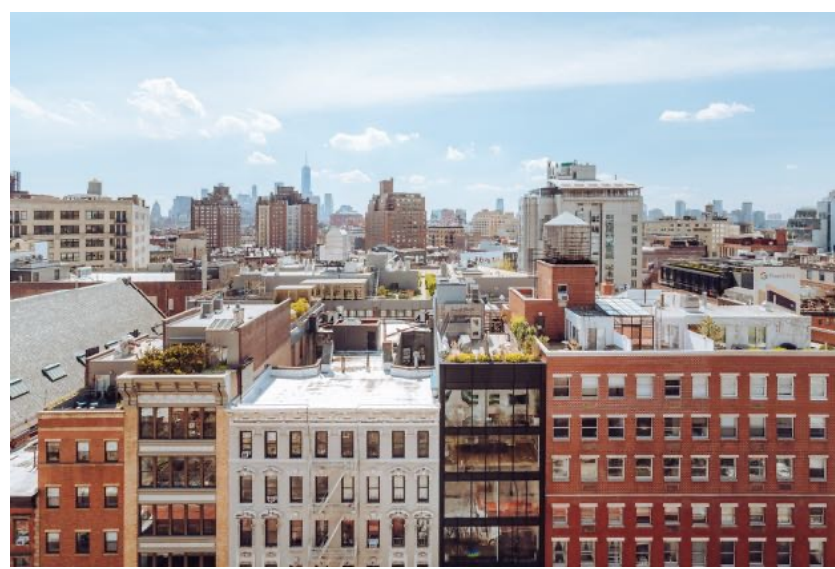

In a body of work that transcends industries, I constantly draw on a variety of photography techniques to craft a creative and compelling narrative that creates lasting value for a brand, an idea, or an experience.

My enthusiasm and personality is woven into my work and has allowed me to consistently create magical moments

I hope you will partner with me and let me include your brand in my story

ABOUT MATTHIAS MARKLIN

A photograph is a remarkable thing, and an engaging image has the power to welcome the viewer's imagination and reveal emotion. It can leave a lasting impression.

Since his first photography course over a decade ago, Matthias has traveled to distant corners of the globe in pursuit of those defining experiences that leave a lasting impression. Along the way he developed a unique ability to connect with people and create stories from the wonder of moments both small and large in everyday life. His curious personality and creative approach has fostered a timeless style that transcends industries, from architecture to outdoor adventure.

Matthias graduated with a Bachelor of Arts degree in Liberal Arts from St. John's College in Santa Fe, NM, where he read the classics and engaged in lively philosophical discussion. He currently lives in Brooklyn, NY and enjoys spending time meeting new people, cooking, traveling, and exploring new places both urban and natural.
